Dear IASD Member,

As you may know, the IASD Board of Directors has been working hard this year to bring IASD's corporate bylaws into compliance with the new nonprofit codes in the State of California, where IASD is registered as a nonprofit corporation. We need your help.

You are receiving the enclosed *Consent to Electronic Transmission Form* from the International Association for the Study of Dreams (IASD) because your signature is legally necessary in order for you to vote electronically (by e-mail) in the upcoming Board elections, scheduled to begin in April.

Of course, we encourage you to vote in the Board elections, but even if you choose not to vote online in this election, and prefer to use the paper ballot which will be available in the upcoming issue of *Dream Time*, your signature is necessary if you plan to vote in any future IASD election by e-mail. We therefore recommend you sign the enclosed Consent Form and return it immediately, as this will allow you to vote by e-mail ballot in future elections and will also allow IASD to inform you via e-mail about its Membership Meetings, and inform Directors via e-mail about its annual and special Board meetings.

Please use the enclosed, return-address envelope to return your signed Consent Form to IASD immediately.

Thank you!

David Kahn IASD President
